As a travelling minister, he is able to be reimbursed for his travel expenses by the ridings he visits...no other Minister's asked to be.

See below, never any mention of having to pay for the trip, but guess we're on the hook for \$170 bucks.

Hi John,

I will be sending along some receipts later today for Senator Duffy's visit to Toronto during the election. Please inform your financial agent that you guys will have to pay for a portion of the visit. The total visit cost for the Senator was \$1355.56. That amount will be divided between the eight ridings that he visited, so each riding will be responsible for \$169.45. I will be sending you the exact numbers and receipts later today. The campaign will have to reimburse the Senator directly. Please let me know if you have any questions.

Regards,

**Felix Wong**
